

# Parents' Confidential Information Form

Camp Takodah is a program of the Cheshire YMCA

Our efforts to help your camper have a positive experience at Camp Takodah this summer will be more effective if we know as much about your child as possible. Often, events occur through out the year which may have a bearing on your child's upcoming camp experience. Therefore, we ask that all parents take care in filling out this information form and be forthcoming about individual needs and family circumstances. This information helps our Camp Registrar make cabin placements and allows the Cabin Leader to meet your child's needs. The information gathered through this form is held in strict confidence and will be used only to help your child make a positive adjustment to Takodah life.
